

*Essential partners in transforming the way people do business, drive growth, and reach global customers.*

APICS is the industry leader in supply chain certification, training and networking. For over 60 years, APICS has provided world-class supply chain training and certification to foster supply chain talent and improved end-to-end performance. Under the ASCM umbrella, APICS sets the standard for supply chain education through outstanding training, certification and community programs.

Inland Empire Chapter

APICS-IE covers the Inland Empire region of Southern California, which spans the easternmost portion of Los Angeles county and includes San Bernardino and Riverside counties. The chapter offers educational classes, programs and special events in the hotbeds of manufacturing and distribution activity including Ontario, Riverside and Temecula. APICS-IE partners with other organizations supporting manufacturing and distribution such as the DMA (Distribution Management Association), neighboring APICS chapters, industry leaders and government officials in support of furthering the region's workforce development and growth.
