Dear Ms. Anderson:

On behalf of California State University, San Bernardino I want to express my sincere appreciation for the Association for Supply Chain Management, Inland Empire Chapter's recent gift in support of scholarships for our students. Our students work hard every day to achieve their goals and supporters like you make all the difference in their lives.

The ASCM-APICS Inland Empire Chapter #112 Ben Schluskel Supply Chain Management Endowed Scholarship Fund is the first endowed scholarship on campus in support of students pursuing careers in supply chain management. This will be an amazing resource for the department and its students. Thank you again for your contribution.

Sincerely,
